

Only 8 miles off the M5 and M50 motorways, the Three Counties Showground is easily reached by rail, car or coach from all over the Midlands,

South Wales and the West Country. Just follow the brown signs from all the main routes and look out for the AA signs, which will direct you to the free Showground car parks off each approach road.

To avoid delays if traveling from South Wales on the M50, leave at junction 2 and follow the signs for The Malverns and the Showground.
